

Triangle Amenity Newsletter

For the residents of Triangle Garden, W9
Spring 2024

Dear Residents,

As spring unfurls, Triangle Garden is our little oasis of greenery nestled amidst the bustling streets of Little Venice. We celebrate the arrival of this new season and we hope the garden offers solace, inspiration and a sense of community to all its residents.

We have some fun summer events planned (see boxes to the right for details) where we look forward to seeing many of you there.

As stewards of this precious space and to ensure the safety and enjoyment of all, please remember to follow the rules of the garden, respecting the flower beds, refraining from making excessive noise and not climbing trees.

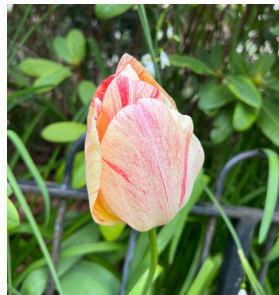

On another note, we would like to take a moment to express our heartfelt gratitude to a cherished member of our community. After years of dedicated service, Liz Stanger is stepping down from her role on the garden committee.

Liz's passion, commitment, and tireless efforts have been instrumental in shaping our garden into the thriving haven it is today. We extend our deepest thanks for her invaluable contributions.

Warmly,

Triangle Garden Committee

P.S. You can find a list of the rules at the garden entrances and at www.triangleamenity.com
