For the residents of Triangle Garden, W9

Spring 2025

Dear Residents,

Welcome to another beautiful season in our communal garden! As the days grow sunnier and longer, we're excited to see more of you enjoying this shared space. It's a wonderful place to relax, connect, and celebrate the spirit of our garden community.

As always, let's be mindful of our fellow residents — of all ages — by keeping noise levels down (especially in the evenings); by tidying up and taking home any belongings, balls, equipment and trash; not climbing trees; respecting the flower beds and following the rules of the garden.

Your care helps keep the garden a welcoming retreat for everyone and we thank you in advance for your cooperation.

Don't forget to check out the column to the right for this year's upcoming events — we'd love to see you there!

Warmly,

Triangle Garden Committee

P.S. You can find a full list of the rules at the garden entrances and at www.triangleamenity.com
